University Neighborhood, Riverside, CA

Why: We live in a unique community and have a lot of common interests being near UCR. This is a perfect opportunity to re-connect with your neighbors and welcome any new ones.

Share concerns, observations and ideas regarding our beautiful neighborhood (evening group walks? potlucks in the park? acceptable noise levels? parking issues? traffic problems?) or just simply say, "Hi".

UCR and City representatives will provide resources and information regarding the tenets of being a Good Neighbor.
