# 3) Go to Cool California Challenge

The screenshot shows the Cool California City Challenge website. At the top left is a logo featuring a stylized city skyline under a sun. To its right, the text reads "COOLCALIFORNIA CITY CHALLENGE". Below this, it says "Sponsored by: energy upgrade CALIFORNIA". A user notification at the top says "Hi Taher! No pending requests! Sign out". A dark navigation bar contains the following menu items: Profile, My Data & Reports, Teams, Requests, Directory, Settings, and Challen. Below the navigation bar is a section titled "Household Information" with an "open" link. The main content area is titled "Report" with a link to "See past reports". Underneath, the word "Electricity" is displayed in green. The section is titled "Most Recent Report" and shows "93 kWh for March-April bill. | 38 Green Points | 0 Bonus Points". Below this is a form titled "Report Electricity" with the text "My household used" followed by an empty input field, and "kilowatt hours of electricity from". There are two more input fields labeled "Start" and "End". A green "Submit" button is at the bottom of the form.
